Please note that the newest class, "Half Black White", was added to the list as the last male class. In the future, we will make every effort to insert it so it is in alphabetical order as are all the others. At this point, Roy and I have put all our efforts into modifying the basic MS Excel layer and the embedded scripting code to accept a multiple year season. If you question any of the calculations above, please feel free to contact us. Greg Billings & Roy O'Doherty
